## GLADIOLUS PRICE LIST--March-April, 1932

**Extras on Cash Orders:** On cash orders of \$2.00 to \$5.00 you can select 10% extra in bulbs of your own choosing. From \$5.00 to \$25.00 select 15%, \$25.00 to \$50.00 select 20% and above \$50.00 select 25%.

Also on orders of \$25.00 to \$50.00 I will put in a Palmer seedling No. 257A1 extra. On orders of \$100.00 or more in addition to the regular discount I will give you extra, a bulb of Hercules if you ask for it. This is a fine variety and worth \$25.

On cash orders of \$10.00 or more of quantities priced per each and per ten I will give a copy of the "Gladiolus Book" by Rockwell, if you ask for it.

*The extras cannot be allowed on the varieties Picardy, Pirate, Bagdad, Spray of Gold, Mrs. Langford, Inspiration or the Palmer varieties being introduced this year. Also these varieties cannot be used as extras on any orders.*

*Also there is no discount on any of the Palmer varieties. The prices on these are net. But I do give good count.*

Packages of bulblets run from thirty-five to two hundred or more. We give very good value on these packages.

You can have 5 bulbs at the 10 rate; 25 at the 100 rate; 250 at 1000 rate. But no single item for less than 10 cents

**Special Notice:** We have found that we lose money on orders under \$1.00 and on items of less than \$.20. We have a very efficient system of handling our orders. Each order is written in triplicate. One copy going to the customer at the time the order is received, one copy going out with the bulbs and one copy being retained for ourselves. On items of \$.10 or \$.15 we cannot make any profit. Each item has to be written off, bags written, bulbs put up, rolled up, checked and packed, so that we are not accepting any single items of less than \$.20. It doesn't cost us any more to put up several bulbs for \$.20 or \$.25 than it would one bulb at \$.10. By making the single items not less than \$.20 we think we are giving better value. We give more bulbs for your money and we mean to be very generous with extras, usually giving extra count. If there is some special bulb or bulbs you would rather have as extras than extra count on the items you order, just mention it and, if the price is within reason according to the size of your order, we can probably give it to you.

**Later.** Due to the so-called depression and consequent shortage of money this year, I have decided that in cases where you cannot use the 2, 3 or more bulbs sold for 20 cents or more you can take a smaller quantity at the same rate. Then occasionally a customer doesn't want so many of a kind. However if you can use the full amount I am sure it will be better as often you can't judge a variety from just one bloom. 2 or 3 or more will show up much better than just one.

**Guarantee Satisfaction.** We have built our business up in ten years from nothing to one of the biggest gladiolus businesses in the country simply by treating our customers right, giving satisfaction. If at anytime you receive any bulbs that are not right, or if you are not satisfied after they have bloomed, we consider it a very great favor if you will let us know about it so that we can make it right. We positively mean it when we say, we guarantee satisfaction.

I will be glad to duplicate any special offers made by any other grower. If you want to put a dollar or any other specified amount of money into a certain variety send on the money and leave it to me to give you good value. I will personally see to it that you are satisfied. In fact I personally see to it that every order that goes out is filled generously and in a way that will please you.

The above discounts and extras are all for cash orders. The earlier the orders are received and the larger they are the more generous we will be with our extras. If you want to get your order in and cannot spare all the cash now send 25% and the balance later and we will see that you are satisfied. **But the above extras are only for cash.**

At these prices all bulbs are prepaid anywhere in the United States and Canada and all countries in the Postal Union. Transit charges to countries that require them are not paid.

**When there is a figure before prices (as 3-.20, 4-.20 etc.) it means  
three bulbs for .20 or four bulbs for .20, as the case may be.**

**SEED** saved from hand pollinated blooms of the finest varieties in existence. I used Picardy, Minuet, Pfitzer's Triumph, Marmora and many other outstanding varieties that have already proven themselves as producers of fine seedlings. No better seed can be had anywhere.

**PACKET OF OVER 50 SEED, \$1.00.** Others are charging as high as \$1.00 per seed of Picardy crosses.

My bulbs as a whole are better than last year, in fact they are the best I have ever grown. The following testimonials in regard to bulbs I have sent out this season will bear me out in this. They also tell how I fill orders.

"Am just a little late but do want to thank you for the fine bulbs I received. Have had them from \_\_\_\_\_, and others but yours are much higher crowned and healthier looking. Many thanks for the extra count on all varieties and the fine extras you sent. Want Picardy next year. Saw one large spike at your home and wanted to take it with me! Best wishes for a successful year."  
—GEORGE S. ALLEN, Mass.

"I received my bulbs today. They look fine. I want to thank you ever so much for the unusual generous amount of extras. I appreciate your generosity very much, especially on the Mammoth White."  
—HARRY KNIGHT, Rhode Island

"My bulbs arrived so promptly I knew you must have sent them at once. I could hardly realize a letter could have gone so quickly and brought a reply, also the package of bulbs. The bulbs are of such perfect shape and high crowned. I wonder how you grow them that way.

"Please accept my thanks for your generosity in extras and discount. Had only expected a few of each variety and was quite overwhelmed when I received five Veilchenblau and ten Cygnus."  
—MRS. C. L. CUTTING, Mass.

"My glad order received today and was quite surprised at the size of Picardy and Bagdad bulblets you sent me. In the past I have had growers send me size No. 6 that were not as big as your bulblets.

"You were more generous than ever in your extras, and whenever I get a chance I recommend you to my glad friends, as the treatment you give your customers certainly deserves advertising."  
—HARRY H. BURRUCKER, New York

"I received the gladiolus bulbs in good shape. They were all fine, plump, high crowned, and clean bulbs.

"Thanks very much for the extras and count."  
—J. K. CARROLL, Ill.

"The shipment of glad bulbs arrived safe. Thanks for the many extras, also for the long count. They were the best lot of clean new high crowned bulbs that I ever received from any grower, there also being many bulbs in every lot that were larger than the sizes ordered. Am sorry now that I didn't place my whole order with you."  
—GUS SAUER, Penna.

"It gives me great pleasure in acknowledging receipt of your very fine bulbs, only four days after sending for them.

"I wish to express my great appreciation and thanks for the many extras that you enclosed, and am looking forward with great anticipation for the many beautiful surprises of next summer."  
—MRS. T. P. NOONAN, Conn.

"My order of bulbs arrived in good shape Monday the 15th and they are fine and so many extras and over count that I feel like a thief. The order by the way was from three of us so that I could give each of the others some of the extras besides the long count.

"I have loaned the catalog to a friend hoping to get you another order."  
—F. J. Moddell, Conn.

"I want to thank you for your prompt attention to my order. I was very much pleased with the bulbs and have referred your company to many of my friends who are going to order from you also."  
—RALPH O. BERGMAN, Ohio.

"Received shipment of last order Saturday. Well pleased with the count and want to say of all the bulbs I have bought from all over the country these bulbs were the finest."  
—H. H. HARRIS, Ohio.

"Regarding the small order of bulbs that came from you, permit me to say that they are the finest lot of bulbs that I ever purchased anywhere at any time and are strictly O.K. in every respect and scripture measure."  
—W. C. GLASPELL, Canada.

"Had intended to write you long ago and express my heartiest congratulations on the wonderful exhibit put on by yourself and Mr. Palmer at Cleveland this past summer. Regardless of all the other attractions, and there were many as you well know, your booth was worth the entire expense of the trip. And it surely was the centre of attraction, both as seen from the floor and the balcony. Picardy and Duna were the outstanding ones in my mind and you have the enclosed order to attest to the fact. Sorry that the old pocket book will not stand large bulbs but I know from experience the kind of bulblets you send out so am not worried. All of the bulbs and bulblets from you last season did splendidly, with Inspiration as the real show spike in the glad patch. It made a nice lot of hand crossed seed which I value very much.

"Again thanking you for this treat and wishing both you and Mr. Palmer much continued success."  
—H. H. HARNED, Maryland.

"I received my order of bulbs and bulblets from you on February 8th, just seven days after I sent my order which certainly shows promptness on your part.

"I have ordered gladiolus from other growers on previous occasions requesting them to ship as soon as possible and always had to wait from three weeks to three months for my bulbs.

"And that is not the only thing in your favor, as you are very generous with extra bulbs that are higher priced than those included in my order, and your extra count on bulbs and extra measure on bulblets is far greater than I ever got from any other dealer.

"The stock that I bought from you last season did very well with me and that which I received February 8th on above mentioned order looks as clean and disease free as any that I have ever seen.

"I wish to thank you very much for your generosity in filling the above mentioned order, also for your promptness in filling same."  
—STEVEN L. STOLBA, Iowa.

### A FEW TESTIMONIALS ON LAST YEAR'S BULBS.

"Received my order for glads last week and I want to thank you for your generous count and lovely bulbs. I think they are the best bulbs I have bought. I know I will have good luck with your bulbs."  
—MRS. C. R. WALLING, New York.

"Have been intending to write you for sometime to tell you how pleased I was with the nice glad bulbs you sent. Thanks ever so much for the extras. You certainly were very generous. Am anxious to see them in bloom. Shall speak a good word for you to my friends."  
—MRS. J. A. BRIGGS, Maine.

"I see you admire Wasaga probably as much as I do. I knew you would go crazy over it. ————— It was for me the high light of the Cleveland Show. ————— I wonder how many times I wandered around again to see Wasaga."  
—JOHN H. LEWIS, North Dakota.

"I have purchased stock from various growers in the past and I wish to say that what I got from you has proved to be the best I have ever bought, even though they were mostly bulblets and small bulbs."  
—O. E. HAWLEY, Michigan.

"Your catalog always brings me pleasure, and I spend hours with it. We have some ten thousand (mostly —————) bulbs for our own pleasure.

"I have never had better success than I have had with yours. Your bulbs are certainly as fine as I have ever seen, and in blooming season they merit praise from all who see them.

"I thank you for the extra ones sent with my order."  
—MRS. AUSTIN I. DAVIS, Maine.

"In our garden, which by the way is a joy during the twelve months of the year, we have always had some gladiolus and really nice ones but we just never had such beautiful ones as those from the 100 No. 1 Collection that we ordered from you last May. Now we want a larger number to add still more to the garden's beauty."  
—R. A. CONRAD, Mexico.

"I want to compliment you on the condition of the bulbs I have had from you during the last four years. I have had about 1500 from you and I have yet to find a stray bulb. Every variety has done well, healthy and true to name, and also very liberal count."

—THOMAS BARRON, Mass.

"I was greatly pleased with the collection of gladiolus bulbs ordered from you last spring. The bulbs were delivered in fine condition and every one grew and bloomed. Friends said they were the finest collection of gladiolus they had ever seen in this part of the country and I am sending the names of several who would like to receive your catalog. I am enclosing another order which I wish you would please hold until sometime in March. As your selections last season were so satisfactory I will leave it to you to choose the bulbs included in the 20% premiums offered in the Fall of 1931 price list."

—J. A. BENSON, Oregon.

"The bulbs I got of you last spring did fine. No. 5 bulbs of Golden Dream had flower spikes 5  $\frac{3}{4}$  feet tall."

—PERCY A. WHIPPLE, N. H.

"I was so pleased with the bulbs that I bought from you last year that I am sending you an order for more."

"It is a pleasure to order from you because you give such prompt service."

"I received many compliments on the glads that I grew from your bulbs last year. I took some of the Orange Flame and W. H. Phipps to the office. A couple of my friends said, 'I don't believe you grew them yourself, you must have bought them from the florist.'"

"Thanking you for the generous number of extra bulbs." —LEETON LIGHT, Virginia.

"The shipment of bulbs, replacement of two Thos. Edison with bulblets was received Saturday."

"Many thanks for them as you are sure liberal with your guarantee."

"I'll want more gladiolus bulbs in the spring, and I'll get them from you."

—RICHARD PEARSON, New York.

"Mighty well pleased with the bulbs I got from you last year." —D. M. CLARKE, New York.

"The gladiolus bulbs were received in fine condition and I am sending you another small order."

"Many thanks for the good count and the extras. I have had wonderful success with your bulbs. They do fine here in winter and my friends say they never saw such wonderful blooms before. I was especially pleased with Gloriana, Betty Nuthall, Mary Frey, Veiled Brilliance and Obelisque."

—MRS. H. M. CHESEBRO, Florida.

"Perhaps I have never told you how delighted we were with the glad bulbs we got of you. They were very fine and I believe every one thrived and bloomed."

"We had quite a number given to us also, and because we have so small a space in which to plant them we cannot order more. But they are a source of great pleasure."

—MRS. F. W. CUSHING, Mass.

**TO GROWERS:** Some gladiolus growers as well as many people in other lines of business seem to be discouraged and think the country is going to the dogs. I'll admit that business is not what it was two or three years ago, but we all know that the country has pulled out of other depressions and certainly will pull out of this one. Then business will boom again. I look for the gladiolus business to be the best ever next season. It looks to me like a wonderful time to get in on the good newer things so as to be all set when things break. Prices are low now and I have good stocks and can give you good generous count. When business breaks it will come with a rush. Are you going to be prepared for it or will you have to look around and buy large bulbs to fill orders? It is much cheaper to get young stock now and grow it on.

My catalog gives very accurate descriptions of the various varieties but if you want any special advice on particular kinds I will be glad to tell you anything I can about them. If you buy in quantity I have a trade list giving special F. O. B. prices per 1000 on some of the cheaper kinds that I have good stocks of.
